ABN 71 007 131 286 Glen Iris, Melbourne, Victoria

1. **Our direct licensing guidelines**

- 1.1. These are the direct licensing guidelines of **Laneway Music**. At present we do not have the capacity to directly licence any of our sound recordings or music videos for public performance or transmission.
- 1.2. Given the legal and administrative costs involved with direct licensing we are unable to offer direct licenses at competitive rates for public performance or transmission. We will review our position every 12 months to consider whether the size and skill base of our organisation enables us to engage in direct licensing.
- 1.3. In the meantime, if you require a licence for the public performance or transmission of one of our sound recordings or music videos you should contact the Phonographic Performance Company of Australia (**PPCA**) at www.pcca.com.au or call (02) 8569 1111.
- 1.4. If you wish to provide any feedback or comments on our direct licensing policy, please email **info@lanewaymusic.com.au**.

2. **Types of licences offered for sound recordings and music videos**

- 2.1. We only provide non-exclusive licences. This means we can offer the same licences to other people. For example, if we licence your restaurant to play our sound recordings and/or music videos, we

can also licence any other businesses (including other restaurants) that wish to play our sound recordings and/or music videos.

2.2. We offer licences for the following purposes:

- a transmission licences for our sound recordings and music videos. You will need a transmission licence if you intend to communicate the sound recording or music video to the public, for example by way of radio, television or the internet;
- b public performance licences for our sound recordings and music videos. You will need a public performance licence if you intend to play the sound recording or music video in public, for example by playing a CD at your business premises;

2.3. These licences are separate from any licence required in respect of the underlying copyright in the music and lyrics on the sound recording or music video. Unless the underlying musical works are no longer protected by copyright, you will also need to obtain permission to use the underlying musical works (including any lyrics). Permission to use musical works can be sought from the Australasian Performing Rights Association (**APRA**) and the Australasian Mechanical Copyright Owners Society (**AMCOS**). These two organisations operate from the same office and have responsibility for different types of licensing. See www.apra.com.au or call 1300 852 388.
